Dear Member,

Annual General Meeting

The AGM is taking place on Wednesday the 6th April at 6.00pm at Byfords Wine Bar. I enclose an Agenda and the Minutes of last year's AGM.

We are living in interesting times! Despite one or two shops closing Holt is still a very sought after town for retailers particularly. In difficult times, we have to work doubly hard to succeed. It needs to be a team effort. The Chamber strives very hard to make the town attractive supported by its members. Thank you all for your efforts.

We have asked Lara Williamson of the Holt Area Partnership to tell us more about how she can help us and local communities and she will also tell us something about Holt Hall. It is a lovely building on our doorstep which fulfils an important need that we need to know more about.

I do hope as many of you as possible will take the trouble to come and talk to fellow members. We have laid on food and drink. We all work very hard and we sometimes need to chat to fellow members to find out how we are doing and coping with the challenges out there.

I look forward to seeing you.

Yours sincerely,

John Lintott
Chairman of Holt & District Chamber of Trade
