A green economy is good for business and nowhere more so than in Norfolk and Suffolk.

We would be delighted if you can join us and other local businesses and organisations to celebrate the New Anglia Green Economy Pathfinder.

The Green Economy Pathfinder celebrates business initiatives which contribute a large part of the UK's ambition to develop EU and global markets for green goods and services. The Pathfinder is a "Unique Selling Point" for businesses across Norfolk and Suffolk.

The event will feature many businesses that demonstrate a cutting edge approach to the green economy, a market place and the opportunity to network with other like-minded businesses.

If you would like to attend this **free** event and to take advantage of the market place to exhibit your own innovative approach to the Green Economy please contact rowena@suffolkchamber.co.uk or Tel: 01473 694805
